

POINT CHIROPRACTIC

Dr. Zach Bergman / Dr. Elise Nolte

Fees and Payment Policy

New Patient Consultation and Exam \$75

Spinal Adjustment \$70 or \$50 if paying cash

We offer a time of service discount to our cash paying patients to pass on our savings in billing costs. If you would like us to bill insurance for you, please bring your insurance card to the front desk so we may get a copy of it for your file.

We invite you to discuss with us any questions regarding your care and our fees/services. We believe that the best health services are based on a friendly, mutual understanding between patient and provider.

Please understand that health/accident insurance policies are an arrangement between your insurance carrier and yourself. We will bill your insurance as a courtesy to you, but if your policy does not cover our services, you will be responsible to pay for the services provided to you.

Also, understand and agree that all services rendered to you and charged are your personal responsibility for timely payment

I have read and understand the above policies and agree to begin care by Dr. Zach or Dr Elise.
